SHIMOGA DIVISION.

Dated 30th November 1916.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Shimoga Division, up to 11 A.M. of 25th December 1916, for opening out the 1st section of Ananthapur-Shikarpur road. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of 1st December 1917.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Shimoga between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 1,600 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for opening out the 1st section of Ananthapur-Shikarpur road," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tenders, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. A cartage of 10 per cent will be levied on all materials supplied by the Government to the contractor should any such materials have to be supplied and the contractor is bound to accept the materials as well as the cartage.

10. No tender that does not conform to the rules of the department will be accepted.
